There was an extra pep in the step of Brosna people last weekend with the running of the Hannon Festival. Football, athletics and music all proved central to the event as big crowds turned out to attend throughout the weekend. Sean Lyons ‘the Lone Piper’ led the teams out at Páirc na Feile on the Friday night as Brosna defeated their Cork neighbours Rockchapel in a lively contest. At half time a framed FDNY GAA jersey was presented to Mike Walsh Chairman of Brosna GAA in memory of John P. Hannon. The Con Carey Cup was accepted by team captain Shane Fitzmaurice from Peggy Hannon wife of the late Daniel J. Hannon. On a beautifully sunny Saturday morning The John Hannon 5K Fun Run saw 80 people take part and €450.00 raised for charitable causes. Young musicians from Brosna Comhaltas provided post-run entertainment. Brosna Couch to 5K group were instrumental in helping to organise this event. Saturday evenings get together at Kate Pats featured a singing session and an unexpected visit from the Kerry Junior Team, including Brosna’s Adam Barry. €400.00 raised from the raffle was donated to the proposed Brosna Playground Development. Thady O’Connor from Kilcummin provided the music on the night. Sunday’s U10 Blitz was a sight to behold as 80 youngsters took to the field as Páirc na Feile once again played host to a feast of Gaelic football action. Knocknagoshel, Kilcummin, Rockchapel and Brosna GAA all fielded teams. All boys and girls who took part received a medal presented by David Hannon, Birmingham. Afterward Brosna Bord na nOg provided food and refreshments. Later that day the Hannon family presented framed family history and song lyrics of Daniel J. Hannon to the Parish Hall, GAA Club and Public houses. One of the highlights of the evening pub crawl was a recitation of the ‘Townlands of Brosna’ by local Rambling House Bean an tí Josie McCreesh. Speaking to the Outlook about the Festival Conor Doolan, a grandson of the late Daniel J. Hannon. wanted to thank a number of people for the successful weekend “On behalf of the extended Hannon family I would like to thank all who attended and supported these events, together you made it a memorable weekend. I would also like to thank Brosna GAA for their support from the beginning in making these events a reality.”

COUNTY MUSEUM HOSTS LECTURE ON CASEMENT

To mark the anniversary of the death of Revolutionary Roger Casement, Kerry County Museum are hosting a lunchtime lecture on Casement and his arrest. The lunchtime lecture which will be given by Museum Curator Helen O’Carroll, takes place at the Kerry County Museum which is located in the Ashe Memorial Hall in Denny Street between 1pm and 2pm on Thursday August 25th, is open to the public and free of charge. Casement’s arrival in Kerry and the subsequent story of how he came ashore at Banna Strand and was arrested are well-known and documented. A number of witnesses, John McCarthy, Mary Gorman, Martin Collins, Michael Hussey and Maurice Moriarty all of whom are now deceased, were the first five witnesses called to give evidence at Casement’s trial in London. In her presentation, Ms Carroll will discuss how the lives of the five witnesses changed irrevocably following their chance sighting of Casement during his 31 hours in Kerry. Members of the public who attend the lecture will have the opportunity to explore Kerry County Museum’s major exhibition ‘Casement in Kerry, A Revolutionary Journey’ following the talk.

Cyclists are being asked to saddle up for the forthcoming annual charity cycle in aid of Castleisland Day Care Centre. This year the cycle is celebrating its tenth year and as always it is a great opportunity for all levels of cyclists to come out and enjoy a great fun day.

According to Eamon Breen of Currow Cycling Club, who has undertaken the organisation of the cycle “anyone who can cycle and has a bicycle is more than welcome. We have several goals in organising an event like this. We see the great service provided by Castleisland Day Care Centre and wish to support it through a fund raising event and of course we want to promote the sport of cycling as a means of keeping fit for people of the area” Eamon continued that “This year due to popular demand we have three routes, 15 km, 45km, and 80km, catering for all levels of cyclists.”

The short route is run over 15km. This route is ideal for families, with children encouraged to come along with their parents to savour the atmosphere of a cycling event. The middle route is 45km and for the cycling enthusiasts there is an 80km route. All levels of cyclists are welcome with no racing involved with an emphasis being placed on a leisure fun event to be enjoyed by all.

Refreshments will be served at Castleisland Day Care Centre both before and after the event and there will be food stations along the cycle routes. Registration for the cycle is on the day of the event, Sunday Sept 4th at Castleisland Day Care Centre from 9am with the cycle commencing at 10am. Bicycle helmets are compulsory and all children must be accompanied by an adult.

Routes will be clearly stewarded with medical personnel on hand in case of any medical emergencies. Sponsorship cards are available from Castleisland Day Care Centre, Murphy’s Sports Shop Castleisland and O’Sullivan’s Post Office Currow. Minimum sponsorship/registration fee is €20 with concessions for children and families. All sponsorship and donations gratefully received on the day with all monies going towards providing elderly Day Care Services at Castleisland Day Care Centre.

Last Saturday the immensely helpful and important Tralee cancer support centre Recovery Haven held an unusual talk for younger cancer sufferers. Speaking to the Outlook, Jacinta Bradley of Recovery Haven Centre said that “The You Can Ireland talk was basically an Open Day Talk based on all types of cancers that people can contract.”

“It was established in February 2015 as the National Support Network for people who have had a cancer diagnosis in their 20s, 30s and 40s. It was set up by a group of people who wished they had somewhere to turn to when it happened to them. You Can Ireland is supported by the Irish Cancer Society and St. Luke’s Hospital.”

“In 2016 You Can Ireland will travel around Ireland hosting Open Days and one was held at Recovery Haven last Saturday.”

“Basically awareness and just being a support are the main aims of the talks. We’re not sure yet if it’s to be an annual event. About seven people attended it and there were three or four speakers.”

Jacinta continued “The speakers held an informal chat about the services they provide and gave an opportunity to talk to the sufferers themselves. They themselves had cancer at an early age and gave advice on how they have coped and progressed since then.”

Jacinta concluded “We’d like to thank all the people involved, who attended, who spoke and who promoted the talk.”

You Can Ireland will be holding another talk in Dublin next month on Saturday the 17th of September. For further information on the talks and open days see www.facebook.com/YouCanIreland To contact Recovery Haven see their website on www.recoveryhavenkerry.com or ring 066-7192122 or of course, Visit Recovery Haven at 5 Haig’s Terrace, Killerisk, Tralee.

RELIEF IS THE EMOTION AS RESULTS ARE COLLECTED

Last Wednesday, 2,056 Kerry students received their final Leaving Certificate Results throughout the county. In all, 58,500 candidates received results nationally. While 1,989 sat the final exams across Kerry another 67 completed the Leaving Certificate Applied. The State Examinations Commission sent their congratulations to all candidates advising them to consult the Leaving Certificate Candidate Information Booklet that they have received earlier this year when deciding on their next course of action. A copy of this booklet is available on the SEC website www.examinations.ie. Candidates are asked to adhere to the instructions provided in order to ensure that they lodge valid requests for viewing marked scripts and appealing results. This free service offers all candidates the opportunity to view one or more of their marked examination scripts and to see how the marking scheme has been applied to their work. This facility assists candidates in deciding whether or not to lodge an appeal against a result. With the exception of external candidates, all applications for Viewing of Marked Scripts should be made through the candidate’s school. The closing date for receipt of completed application forms in schools is Tuesday 23rd August 2016. The Minister for Education and Skills, Richard Bruton, also congratulated the 58,466 Leaving Certificate students who received their Leaving Certificate exam results. The Minister said “Today is a very important watershed in the lives of so many young people as their time in school draws to an end and the next phase of their lives begin. As thousands of students receive their results today it is a time to celebrate the culmination of a hugely formative period in their lives, together with their family, friends and teachers who have helped them along the road. As our economy comes out of a very difficult period, many new opportunities have opened up for young people, in the further education and training sector, including traineeships and apprenticeships, as well as in the third level sector. This is an important milestone and can be a time of great celebration and indeed relief for students and their families as the results become available. I am happy to see that the results and trends are on a par with previous years”. A helpline facility will be operating from early on 17th August to provide information and advice to students and parents at results time. The helpline number operated by the National Parents’ Council (Post-Primary) is 1800 265 165.
Product offers end 21/08/16. Waste Electrical and Electronic Equipment (WEEE) and waste batteries must never be placed in any of your household wheelie bins. WEEE is taken back free of charge at electrical retail outlets on a one-for-one/like-for-like basis. There is a container for small waste batteries in your local store. Local authority civic amenity facilities also take back WEEE and waste batteries free of charge. WEEE and waste battery recycling is free.

CULTURE NIGHT
"Culture Night" this year will be celebrated on Friday night September 16th. Watch out for a great upcoming concert at the Sliabh Luachra Heritage Centre in Scartaglin on that night featuring Jackie Daly and Matt Cranitch, with special guests and also featuring Maura O’Connor and Conor Daly. The new ‘Handed Down’ programme for 2016/2017 will be launched at this free concert on the night.

AN UNFORGETTABLE TRIP
Recently back from a wonderful trip to Australia and New Zealand are Bride and John O’Donoghue and Eileen and James O’Donoghue all from Knockrour. The O’Donoghue’s went down under to be present at the marriage of Shane O’Donoghue, son of Bride and John and Erin Pinkney from Australia. The O’Donoghue’s enjoyed every minute of this once in a lifetime trip, despite the long haul flight.

AFTERNOON OF PRAYER
John Delaney will be present at the Afternoon of Prayer in Our Lady of Lourdes Church Scartaglin on Sunday next, August 21st which will commence as always with the Rosary at 2.30p.m – everyone welcome.

LEAVING CERTIFICATE
Congrats to all students from this locality who were successful in the Leaving Certificate Examination, the results of which were published this week.

COMMUNITY GAMES
Best of luck to all participants from this region who will be taking part in the National Community Games Finals at Athlone IT over this coming weekend. For all taking part, this will be a supreme test as the best in the country will be involved in these finals.

CUL CAMP
The Kelloggs GAA Cul Camp commenced at Scartaglin Football Pitch on Monday last and will conclude today Friday August 19th. Over 100 children in all attended the camp under the supervisory direction of coordinator Thomas Ladden with his facilitators being Aaron Murphy, James O’Donoghue, Pádraig De Brún, Maura Fitzgerald, Andrew Barry and Jack Morgan.

WEDDING BELLS
Congratulations and all best wishes are extended to Juliette O’ Connor, daughter of Eileen and the late Con O’ Connor of Coolnageragh and Brendan Holohan, son of Tom and Breda Shronaboy, Glenflesk who were married recently in Our Lady of Lourdes Church Scartaglin. The celebrant of the nuptial mass was Fr. Anthony O’ Sullivan. Juliette and Brendan held their reception in the Malton Hotel in Killarney and they will reside in Glenflesk.

WHEELCHAIR ASSOCIATION COLLECTION
The Killarney/South Kerry Branch of the Irish Wheelchair Association Annual Church gate collection will take place next weekend August 20th and 21st. Your generous support will be much appreciated.

CHARITY FASHION SHOW
The Kerry Hospice Killarney Branch are staging their third annual Models in Recovery Fashion Show at the INEC Killarney on September 1st. This charity fashion show will showcase Autumn/Winter collections from many of Kerry’s top boutiques. Special guest on the night will be Majella O’Donnell. There are some great door prizes to be won and admission tickets are €15 and are available from Pat on 085 1543514.

SCARTAGLIN CHILDCARE CENTRE COLLECTION
Scartaglin Childcare Centre wishes to thank all those who contributed to their Annual Church gate collection which was held on Monday evening last, August 15th and a word of thanks also to those who helped to take up the collection.

BASKETBALL
Best of luck to St. Mary’s U – 13 girls community games basketball team and coaches who will represent Munster in the Community Games finals in Athlone this weekend. Four local girls are part of this team – Leah Boyle, Abbie Mahony, Emma Kerin and Rachel O’ Sullivan. Well done girls and best of luck.

Dog lovers in are in for a rare treat on Saturday week, 27th August as the 44th All Breed Championship Dog show will arrive in town. An Riocht Athletic Grounds will be a hive of activity as up to 1,400 championship dogs along with their owners and groomers will end their four leg tour at Castleisland following shows in Clonmel, Killarney and Adare. Show manager and local man Ned Burke is excited about the event “it will be an amazing day for dog lovers and for families. It is rare to get a chance to see so many champion dogs on the doorstep. A lot of people would be aware of Crufts and this show is just like that with so many owners travelling from all around Ireland, the UK and some from Europe, it is an occasion to savour.”

Ned is indeed a rare breed himself admitting, “Dogs hold a greater love for me than another sport. I have had dogs all my life and currently keep a few Labradors”. Ned has been a stalwart of the Tralee and District Canine Club for “near on a lifetime” and remembers the days when his wife Maudie would handwrite out all the entries for shows down through the years. “It’s all online now which makes it easier for entering but I remember well the days when you had nothing only a pencil and paper and everything ran smoothly in those days as well”
So if you want to see something special really up close and personal, make sure you drop by. Show starts at 9pm and runs all day.

FROM CINCINNATI TO CASTLEISLAND

Castleisland folk will certainly be checking in with the All-Ireland Fleadh Cheoil in Ennis this week as Shane Crean, from the Murphy Roche Music School Chicago, who qualified in Cincinnati to compete in the All-Ireland Fleadh Cheoil in Ennis will be flying a local flag. Shane is the grandson of Con and Kathleen Twomey, Chicago and Castleisland and took part this week in the Michael Kenny Festival. He will be playing in the 12-15 yrs Grupaí Cheoil and the 12-15 yrs Fiddle Slow Airs. We wish him all the best of luck.

AN RIOCHT SNOWED IN
An Riocht Snowed In will take place on 2nd and 3rd of December 2016. In conjunction with this we are holding a Christmas Craft and Food Fair on both days. If you are interested in taking a table contact Cris on 0872293636 or Catherine on 0872998164. Limited number of tables available. Don’t be disappointed book now.

BINGO
Bingo continues at the Castleisland Community Centre Tuesday night 23rd August at 8.30pm. €2,700 in prizes must be won Complimentary Tea and Coffee

Harvest Festival was a huge success

The 2016 harvest Festival has drawn to a close and yet again it was a huge success with large crowds attending all the events and were enjoyed by all, Friday night we saw the first year of All Star Mr and Mrs hosted by Timmy Moynihan of Radio Kerry at Moynihan’s Bar, A large crowd attended and the feedback was excellent form all who attended the winners of All Star Mr and Mrs for 2016 was Denny and Sigita Reidy, The winners received a night away in the International Hotel in Killarney along with some more lovely prizes, Thanks to all the couples who took part and a huge thank you to all who sponsored spot prizes for the night, This is sure to be back next year, Saturday we had our 5k followed by the dog show with prizes given to many well groomed dogs, Later Saturday evening we had the fancy dress with all the kids going to lots of effort to win prizes. Saturday night the bets were on at the Donkey Derby and was well attended special thanks to those who purchased donkeys and who sponsored the 6 races, On Sunday from midday we had a great day at the family fun day with football blitz followed by bouncing castles and bubble soccer which were enjoyed by all, Sunday night we had the 2016 Female ferim factor which was cancelled half way through due to one of the girls taking part getting a minor injury while doing the tasks on the street, To be fair to all the girls it was decided to call the event off, Monday we had the Pattern day and that evening the pattern sports took place which saw a large crowd attend, Tuesday was the 2016 Horse fair which was a great day for old friends to meet and have a chat and spot a good bargain, We hope you all enjoyed the festival do check out the festival Facebook page for lots of videos and pictures and results, Special thanks to all who supported the burger hut and to all the volunteers who worked very hard to raise money for the club, Our sponsors thanks very much the festival would not be possible without you for a full list of the sponsors please check out facebook, Finally the festival takes a lot of work hours of planning and the following people deserve a mention Noel Brosnan Kathleen Curtin Liam Bell Dan Nelligan, Anna Marie Curtin Der Keane and Shane and Steven O’Connell, They were more who helped out at various parts and we thank you for your support,

U12 Boys & Girls

Brosna Coiste na nOg would like to congratulate the Knock Brosna Under 12 boys and girls team that have had an outstanding year of football so far. Winning both phases of their county league groups. After playing a total of 9 games in the 2 phases they came away with 8 wins and 1 draw. It all began on 15 April 2016 when they made the long journey down to Castlegregory. They played a fantastic game and came out winners on a scoreline 4-15 to 2-4. Next game took them back to Tralee to play a strong NaGael side and after a touch and physical game they managed to come away with a draw on a scoreline 4-10 to 4.10.

They then came up against Castleisland Desmonds side but still played great football and won 3-16 to 1-3. It all came down to the last game against An Ghaeltacht where the team played the best football we had seen all year and showed great heart to come from behind and win 4-12 to 4-8. They were crowned county league phase 1 winners.

The second phase started on the 15/5/2016 and they travelled to Connolly Park to play Austin Stacks and came away with a win 5-27 to 2-3. A week later they played Rathmore and got another victory winning 3-5 to 0-4. On 29/5/16 the next opponents were Laure Rangers but the team were on form again winning 5-13 to 3-8. Their next encounter was with NaGael. They played their hearts out and won 3-13 to 2-7. Once again it came down to the last game and this time we travelled to An Ghaeltacht knowing if they won they would have remained unbeaten and win phase 2 of Division 5 county league. They did not hold back and played outstanding football to be crowned winners on a score line of 4-25 to 2-7.

We would like to congratulate the boys and girls of this Knock/Brosna team on an unbelievable year and wish them the best of luck in the North Kerry Division 1 league and Castleisland District league. We wish to thank the mentors of DJ Horan, Sean McElligot and Mike Brosnan for all their hard work. We would also wish to thank especially the parents and families who carried the children throughout the county and supported them.

Entry fee per team is €160. Please contact any of the below if interested in entering a team
Geoff Riordan 0866015165, Bernard Cassidy 0877793818

Ballymac were away to John Mitchels on Wednesday last in the County League. This was a must win game for Ballymac who had no points coming into this game. David Rogers was first to score with a goal for Ballymac , this was quickly followed with a point from play by Tadhg Brick. John Mitchels settled and went on to score two points before the home side replied with two points. Ballymac piled on the pressure and made good use of the strong breeze. They had 1.2 scored before the home side replied with two points. Ballymac piled on the pressure and made good use of the strong breeze. They had 1.2 scored before the home side replied with two points. Ballymac piled on the pressure and made good use of the strong breeze. They had 1.2 scored before the home side replied with two points. Ballymac piled on the pressure and made good use of the strong breeze. They had 1.2 scored before the home side replied with two points. Ballymac piled on the pressure and made good use of the strong breeze. They had 1.2 scored before the home side replied. Ballymac ended up with four points and qualified for a semi final spot. This semi final will be against Na Gaeil on Wednesday night at 7 in Na Gaeil pitch. All support appreciated.

FAOI 16
Ballymac produced a great second half display and scored nine times before Mitchels registered a score. Ballymac scores came from Josh O Keeffe 0.1 , David Rogers 1.1 , Daire Keane 0.2, Barry Lyons 2.1 and Cillian Gallagher 0.1. Mitchels scored 2.1 in the second half to leave their final score at 5.5. Ballymac went on to score a further 1.5 to leave their final score at 5.15. This victory gave Ballymac their first two points in the county league.

Kerins O Rahillys v Ballymac
Ballymac played their final round game against KOR on Friday last in Ballyrickard at 7.30. KOR had only 14 players so this was a 14 aside game. The first half was very much an even affair with both teams scoring point for point. Midway through the half the scores were level at 5 points a piece. KOR were playing with the aid of a strong breeze in this half and went on to score four more points before the half time whistle. Ballymac registered two more points to leave the half time score at KOR 0.9 to Ballymac 0.7

The second half belonged to Ballymac and they made good use of the strong breeze. They had 1.2 scored before the home side replied with two points. Ballymac piled on the pressure and registered score after score without reply from the home side. Ballymac ended on a final score of 2.15 to KOR 0.13. These valuable two points meant Ballymac ended up with four points and qualified for a semi final spot. This semi final will be against Na Gaeil on Wednesday night at 7 in Na Gaeil pitch. All support appreciated.

FAOI 13
The U13 Rose Cup competition takes place on Saturday next the 20th August. Ballymac are in a group with Kilcummin, Austin Stacks and St. Pauls. Ballymac games will be played in Na Gaeil starting at 10.30am. Good luck to players and mentors in this prestigious competition.

FAOI 12
Our U12 Gold and Blue teams begin their Central Region Campaign when they travel to Connolly Park on Monday 15th for games against Austin Stacks. Throw in for these games is 7.00pm.

FAOI 11
Our U11 boys take part in the U11 Furies Blitz on Saturday next 20th August in Farranore. Ballymac won this Blitz last year so we are defending our crown! Starting time for this blitz is 10.30am.

FAOI 10/8
Our U10 and 8 boys welcomed their Ardfert counterparts to Ballymac for a number of very entertaining games on Sunday last. All games were well contested with great skill shown by players from both clubs.

Miltown/Castlemaine Blitz : Our U 10 boys have entered 2 teams in this years Miltown Castlemaine Blitz. The Blitz takes place in Miltown on Sunday 21st August at 11.00am.

CAILINI FAOI 10
Our U8 girls travelled to John Mitchels on Sunday morning last where they had a good contest with the local team.

ROSE OF TRALEE - LUXEMBURG ROSE
The excitement which accompanies the annual Rose of Tralee festival will be heightened in Ballymac with the arrival of local girl Sile Reidy as the Rose representing Luxembourg where she is based for work experience. Best wishes to Sile from all in the Parish for this once in a life time experience for her. Also good luck to all the young girls from the Parish who have been selected as Rose Buds for the event.

YOUTH FOLK GROUP
Our Parish Youth Folk Group have had a couple of practices already. It would be great to see other young people coming on board, particularly teenagers. Anyone interested should contact Orla at (086) 2390616 or Fr. Pat at (087) 6709491.

Liebherr 2016 Apprentice Programme

Skills for the Future

Liebherr Container Cranes Ltd., based in Killarney, is one of the world’s leading suppliers of “State of the art” container handling equipment. Liebherr manufactures ship to shore container cranes for loading and unloading of container ships in ports as well as the support equipment required for the stacking of containers in container yards and the loading of containers on trucks and trains. The products manufactured in Killarney are delivered to customers all across the globe. The products manufactured by Liebherr in Killarney are continuously advancing in technical complexity, and the skill levels required to design and manufacture such equipment requires the highest international levels of skills in all disciplines. This necessitates significant investment in training and upskilling of all staff.

Liebherr prides itself on the quality of its employees and the skills and experience that they bring to their positions. Liebherr has experienced exceptional growth over the past number of years and investment in the facilities continues apace with employee numbers continuing to increase. Employee numbers at Liebherr have doubled since 2008. To meet market demands and also to allow for future development, Liebherr continues to recruit in all areas of the business with positions available from trainee to senior levels, particularly in those areas requiring technical, engineering, automation and IT skills.

Liebherr is now launching its annual recruitment campaign for apprentices who will start their training in October 2016. The successful applicants will train under the guidance of expert instructors with a combination of in-house, ETB and IT lecturers, all with extensive industrial experience. The apprentices will graduate in 2020 with a globally recognised qualification. The Liebherr apprenticeship programme has undergone a significant restructuring in recent years. In 2013 Liebherr commenced a review of the traditional apprenticeship programme in the context of future education and the skill levels required within the company. It became clear that the existing curriculum could not fully cater for the skills that are currently required and for the future.

As a result Liebherr entered into a collaboration with the Institute of Technology Tralee (ITT), and enhancements to the apprenticeship programme evolved through the combined efforts of Senior Engineers at Liebherr and Senior Academic staff at ITT. The programme commenced in 2015, and this joint venture between IIT and Liebherr has been an outstanding success and will provide various career options to apprentices who successfully complete the programme. Depending on the level of skill and the capability of individuals a level 6, 7, or 8 qualification is now attainable through the programme.

To put this in context a level 6 qualification is the equivalent of an honours bachelor degree on the QQI National framework of qualifications as conferred by Universities and 3rd level institutions. This programme provides the opportunity for ambitious apprentices to attain the same qualification as had they attended a 3rd level college.

Speaking about the enhanced apprenticeship programme, Director Mr. Pat O’Leary says “In effect Liebherr is now offering academic scholarships to our apprentices. This is a significant enhancement to the traditional apprenticeship programme and is a fantastic opportunity for the successful applicants. The apprentice can now train to the level of a highly qualified professional engineer with enhanced skills on an ‘Earn and Learn’ basis. It provides the qualifying applicants with additional and better employment opportunities.”

The tradition of both a practical and theoretical education is synonymous with Liebherr. Many of the most senior positions currently in the company are held by personnel who started their careers as apprentices. Mr. O’Leary says “I believe that the value of a practical background is key to understanding the theory behind the complex technologies which we now utilise and cannot be underestimated. This new programme will ultimately lead to highly competent individuals who have mastered the practical skills as well as having an in-depth understanding of the theory behind them. To effect our apprentices are ‘Fit for work’ immediately after they qualify.”

The apprenticeship recruited in 2016 will have the opportunity to train under this programme. The recruitment process which is based on a combination of academic results, aptitude and attitude is well established and it is expected that, as every year, there will be a high demand again this year. The calibre of applicants has been excellent in recent years and the evolution of the programme to its current status will no doubt ensure that this remains the same in 2016.

The Liebherr apprenticeship is a fantastic opportunity for the successful applicants. This is a significant enhancement to the traditional apprenticeship programme and is a fantastic opportunity for the successful applicants.

What we offer
• Competitive package
• Fully paid training and education
• Excellent future employment and progression opportunities
• The opportunity to travel the world
• Recognition of your contribution, and the opportunity to continually develop your technical knowledge

Further Information
Closing date for receipt of completed applications – Friday 2nd September – 5pm
Applicants must be at least 16 years of age on 01.01.2017.
• Camissa will disqualified

Experimental Skills for the Future

Liebherr Container Cranes Ltd. has a number of vacancies for the following:

Apprenticeships

Electrical

The successful candidate will be primarily trained in all aspects of Electrical Engineering and Installation. This will include HV and LV systems, Circuit Theory, Automation, PLC’s, IT Technology, Variable Speed Drive systems and the use of instrumentation. Skills will include plant and machinery installation and start up, maintenance and repairs, including the servicing and assembly of machines at site.

Mechanical Automation and Maintenance Fitter (MAMF)

The successful candidate will be primarily trained in the fabrication and joining technologies of components for large steel structures. It will encompass processes such as MMA, MIG and MIG welding. Successful applicants will be fully trained in line with the SOLAS apprenticeship system, and will also and will participate in the job training which will allow the candidate the opportunity to obtain enhanced technical training.

What you will get
• Job oriented and highest quality training
• Hands on learning and experience combined with an academic curriculum
• Exposure to complex and ever advancing technologies

What’s the next step?
To apply for these roles simply forward the following documentation to: recruitment@cranes.liebherr.com
• Up to date CV
• Department of Education Leaving and Junior Cert exam results (Copies only please)
• Cover letter specifying the role that you are interested in, and why you choose this career path.
• Please choose from the following:
  • Electrical Apprentice - MAMF Apprentice - Metal fabricator Apprentice
  • Any other documents that you feel will enhance your application (Copies of training certificates, references, project details, awards etc.)

Employee Profiles

Finishing Manager - Mike D’Mahony

Date started: 25th November 1995

Started as: Apprentice Electrician

Current Position: As Finishing Manager I am responsible for the final production processes in Liebherr which includes Shotblasting, Painting, Mechanical Assembly, Electrical and product Testing. My role includes co-ordination of the processes, planning, scheduling, technical support, and people management. Ensuring that we attain the highest levels of quality in the finish of our products is a key function of my role.

Career steps: I started my Electrical apprenticeship at Liebherr in 1999 and completed it successfully in 2003. I had an interest in travel and crane installation work so I applied for this role and was employed as an electrical installations supervisor until 2011. Following on from this I was employed as a supervisor in the electrical department for production, and in 2015 I was promoted to Finishing Manager.

Testimonial: I applied to Liebherr Container Cranes for an apprenticeship due to the company's long-standing reputation in the region. Since then my expectations have been greatly exceeded. There are no limitations to what can be achieved, and I have always been encouraged to take opportunities, improve my knowledge, and develop new skills through further education. From travelling extensively worldwide; to now enjoying a challenging role at home, I have been supported in my career all along the way and I am looking forward to future opportunities and growth.

Mechanical Design Engineer - Michael Lawlor

Date started: October 1995

Started as: Apprentice Mechanical Automation and Maintenance Fitter

Current Position: As a Mechanical design engineer I am responsible for the design of elements of the Ship to Shore crane. I work as part of a multi disciplinary design team which includes Structural, Mechanical, Electrical, Automation and IT engineers. Communication with colleagues is an essential to ensure that an accurate and efficient crane design that matches the client’s specification is achieved.

Career steps: I started as an apprentice at Liebherr in 1995, and successfully completed my apprenticeship in 1999. I decided to further my education and qualified as a Mechanical Engineer (Level 4). Subsequently I was offered a fitter fabrication in Liebherr and I have worked as a Mechanical design engineer since 2013.

Testimonial: The Liebherr apprenticeship is the best career path and also an ideal platform to further education. The knowledge and experience gained was a great advantage when studying for my degree. I now design many of the parts that I had worked on as a fitter fabricator in the manufacturing department. The practical experience that I have gained has proved invaluable during my studies, and also now in my current role.
LEAVING CERT

Congratulations once again to all of you that achieved the results you were hoping for, but consider all your options before making a decision on your future as 37% of British Graduates said in a recent poll they actively regret going to university because of the heavy debt associated with their studies, please read Billy Ryles advice which is available online in last weeks Tralee Outlook Magazine.

If you didn’t do so well – don’t worry – there is a lot more to life than exams and please remember – That of all the people who live or ever lived on our planet since the very beginning of time. None of them are like you. Nobody has the same combination of talents, abilities, sorrows and opportunities. No one has the same friends, the same family jokes or the same acquaintances. No one has the same concerns or goals as you. No one! You are unique.

Please do not let the results get you down, you are certainly not alone and I would recommend that you read South West’s Counselling advice online. People of all faiths and none are invited and encouraged to attend the Open Day event, which will take place between 11 am and 6pm.

FIXING THE PET OVERPOPULATION CRISIS STARTS WITH YOU

Spaying and neutering is a straightforward medical procedure with many health benefits, including the reduction in the risk of developing certain cancers and illnesses.

By spaying or neutering your pet, you’re doing your part to help reduce the number of homeless animals that end up in animal centres across the Country.

If you are looking for pedigree pets please enter the name of the breed followed by rescue centre or rescue organisation in your search engine and for non pedigree check out The Pound, Animal Rescue organisations in your area, local notice boards etc, fixing the pet overpopulation also depends on you!

VICTORIAN FLOWER LANGUAGE

Florigraphy was spread to Great Britain by Lady Mary Wortley Montagu, a feminist poet married to the English ambassador to Turkey when she was published in 1763; these letters included an enthusiastic description of the Turkish selam – a secret flower language used by clever harem women to communicate under the noses of their guards. For instance a mix of lupins, hollyhocks, white heather, and ragged robin, meant guards. For instance a mix of lupins, hollyhocks, white heather, and ragged robin, meant

An enthusiastic description of the Turkish selam – a secret flower language used by clever harem women to communicate under the noses of their guards. For instance a mix of lupins, hollyhocks, white heather, and ragged robin, meant guards. For instance a mix of lupins, hollyhocks, white heather, and ragged robin, meant

The idea of a flower code quickly caught on with a fashionably Orientalist circle of educated readers who fantasised that the exotic East was full of strange customs and decadence. People in France at the time already liked to give each other presents of flower almanacs, which were a collections of watercolour and pencil sketches of seasonal flowers, accompanied by related poems or facts, these began flower code dictionaries as appendixes but within a very short time these dictionaries were published in their own right.

FURTHER “PROGRESS” LEADING TO UNEMPLOYMENT

We have seen aerial drones and driverless cars sending shockwaves through the shipping and automobile industries. Now another big change is expected in 2020 with the deployment of remote-controlled cargo fleets long on high technology and short on human crews. In the same way that autonomous Rolls-Royce vehicles will allow owners to fire their chauffeurs, shipping companies will soon be mailing pink slips to their workers.

Rolls-Royce has been designing a fleet of remote control cargo ships since 2013, fleets that will look more like advanced submarines or spacecraft. The new ships will be managed by an onshore control centre running the company’s new “ship intelligence” system.

BOMB SNIFFING LOCUSTS

We have heard of bomb sniffing dogs and carrier pigeons trained to help humans during war, now a researcher in the US is turning locusts into cyborg bomb detectors that can be sent anywhere to sniff out explosives hidden in hard-to-reach areas. Engineering professor Baranidharan Raman of the Washington University in St Louis thinks that animal noses are still far more sophisticated than anything mankind and believes that the locusts will prove to be much more effective than robots because of their sensitive antennae, which can pick up scents and tactile information.

Dr. Raman’s work has received a $750,000 grant from the Office of Naval Research to continue his studies to turn locusts into military tools and he plans to equip the insects with several pieces of sophisticated technology and train the locusts to spot a specific odour among other smells.

A silk “tattoo” will be placed on the locust wing, generating heat from light. This will help to control the locust using a laser beam, steering the locust around targets by heating up its wings. Sensors implanted in its brain will monitor neural activity before being sent wirelessly to the controller. The sensors will be linked to a small “backpack” containing a transmitter to send the signal to a receiver. If explosives are found, the receiver’s red LED will light up.

WHAT NEXT IN ANIMAL CRUELTY?

One of the oldest “sports” in the Middle East is camel racing and with camels valued upwards of $1 million USD, the sport is taken very seriously.

In 2002, new regulations called for changes to the sport as children from India could no longer be used to race the camels. As the child jockeys had to be replaced, owners have found a new way to get around the rules, by inventing robot jockeys equipped with whips that are controlled by the owners.

The robots have GPS tracking systems as well as shock absorbers but needless to say there is no protection for the Camels, after all they only feel pain and the robots might burst a spring!

ON THIS DATE - August 19th:

1897 - 1st electric taxis went into service in London
1913 - In Canada thousands of young men travelled west to help bring in a record breaking harvest on prairie farms; an estimated 40,000 men were placed by farmers’ organisations and railroads charged only a penny a mile.
1913 - Frenchman Adolphe Clélie Pégoud made the 1st parachute jump in Europe
1914 - The British Expeditionary Force (BEF) landed in France.
1919 - Afghanistan established independence from the UK with the signing of the Treaty of Rawalpindi.
1934 - A plebiscite in Germany approved the vesting of sole executive power in Adolf Hitler as Fuhrer. 38 million Germans voted to make Adolf Hitler the official successor to President von Hindenburg.
1935 - Nova Scotia had its warmest day on record to that date - 38.3 degrees Celsius; it was also Prince Edward Island’s warmest day up to that time at 38.7 degrees Celsius.
1946 - Bill Clinton, US President from 1992-2000, was born as William J. Blythe III in Hope, Arkansas. He was the son of Virginia Cassidy Blythe and William Jefferson Blythe II. Bill’s father a traveling salesman was killed in a traffic accident prior to his birth. His mother married Roger Clinton when Bill was 4 years old.
1976 - President Gerald R. Ford won the Republican presidential nomination at the party’s national convention in Kansas City. 2004 - The Internet search engine Google went public.
Fed up of only hearing one side of the story?

If you are deaf in one ear then you already know where you should sit when you go to dinner with friends, or which side of the sofa to sit on.

But did you know there is a solution available?

The new CROS hearing aid from Phonak helps you hear everything that’s going on around you no matter what side its coming from.

So make an appointment today!

SLIABH LUACHRA OUTLOOK

Sliabh Luachra Outlook 23
DESMONDS GAA

Desmonds secured their Division 1 status again for next year with a draw against Milltown Castlemaine in Castleisland last week. The visitors opened the scoring in the 1st Min with a free from John O’ Sullivan and this was to see the Desmonds reply with pts from Kieran Brennan and a free from Goalkeeper Stephen Bartlett to take the lead. The visitors Paul Carroll came up from the backs to add his name to the score board and it was now 2pts each. Then we saw a good passage of play from Desmonds and Pat Fitzgerald getting a Point followed by a goal from a well worked move and Thomas Lynch added his name to the Desmonds scores with desmonds now playing at full flow we saw scores from Tomas Lynch, Bartlett and Micheal Walsh and Stan Divane had a great chance for a goal but drove it over the bar. Milltown – Castlemaine responded with scores from Donal Dennehy and Shane Murphy to see the score read 1:08 to 6pts in favour of Desmonds at half time.

Milltown –Castlemaine upped the pace after half time and we saw scores from play by Pa Wrenn and Cathal Moriarty . This was followed by the visitors Shane Murphy bursting through the Desmonds Defence to score a great goal to see the Scoreboard at 1:09 each With the light ever fading we saw scores from Donal Dennehy, and Cathal Moriarty scoring 2 points from frees it looked like Desmonds were going to lose their fourth game in a row. But credit to them they fought back after introducing subs Cathal O Hanifin and Marc O’Connor and they played very well even with Hanifin scoring two great points from play. Desmonds full forward Graham O’Connor got a lovely score from play at this stage and the home point was secure.

Jermiah Hayes drove a penalty over the home sides cross bar and this was to see the game Finish in a draw at 1:13 to 1:13 each. Desmonds remaining game is away to Dingle.

FIXTURES

The Juniors are away to Cloonmacon on Friday Night @7pm. Senior mens team are playing Tarbert in Finuge on Sunday 21st in the north kerry league semifinal @2.30pm

The Minors have qualified for the North Kerry league final after defeating Ballylongford/ Asdee by 4:10 to 2:11 in Duagh. They now play Tarbert/Moyvane in the final date & venue to be decided.

Congratulations to the Desmonds Ladies who won a national competition organised by lidl foodstore Where they were presented with a cheque for €1000 last Monday night.

FIRIES GAA

THE ANNUAL JERRY FOLEY U11 MEMORIAL BLITZ

Firies GAA are proud to host the Annual Jerry Foley U11 Memorial Blitz on Saturday, 20th August. Named after the late, long serving and devote GAA figure who tended as a backbone to our club for many years, Firies GAA have honoured his memory through this invitational blitz. Further details and photography regarding the blitz will be available on our Facebook page. Good luck to all the participating teams.

SATURDAY MORNING TRAINING ACADEMY

Please be advised that due to the annual Jerry Foley U11 memorial Blitz, our training academy will be taking a break to facilitate the blitz and will return as normal on Saturday, 27th August.

STATE EXAMINATIONS

Congratulations to all our Coiste na nOg members who recently got their Junior/ Leaving Certificate results. Well done and best of luck with your chosen path.

CURROW GAA

Currow travelled to Ballydonoghue on Saturday evening and came away with 2 valuable points against Spa, Killarney in the first round of the East Kerry Minor league. Our u16 team recently played two games in their County League. First match was away to Castlegregory. On a wet and windy night Currow proved to have the upper edge and went on to win on a score line of Currow 6-07 to Castlegregorys 2-15. In the next game Austin Stacks were Currows opponents and on the day an under strength Currow team were defeated on a score line of Currow 3-12 to Austin Stacks 6-12. Their next game will be against Austin Stacks in the County League Semi Final and this is due to be played on Friday 19th August at 7.00pm in Currow.

On Monday 15th August Currow were to play Spa, Killarney in the first round of the East Kerry League, on the night Spa were unable to field a

U16 COISTE NA NOG

Our u16 team recently played two games in their County League. First match was away to Castlegregory. On a wet and windy night Currow proved to have the upper edge and went on to win on a score line of Currow 6-07 to Castlegregorys 2-15. In the next game Austin Stacks were Currows opponents and on the day an under strength Currow team were defeated on a score line of Currow 3-12 to Austin Stacks 6-12. Their next game will be against Austin Stacks in the County League Semi Final and this is due to be played on Friday 19th August at 7.00pm in Currow.

U14

Ú16 CASTLEISLAND/FIRIES TEAM THAT BEAT MILTOWN/CASTLEMAINE LAST WEEK

U10 TEAM THAT TRAVELLED TO KNOCKNAGOSHEL WITH THEIR COACHES
team which meant Currow received the victory. Currow now progress to the next round of the Championship where the opposition will be Firies, this game will be played on Monday 22nd August in Currow starting at 6:45pm.

U11s: Currows u11 team recently played two matches in their East Kerry League, starting off with Scartaglin on Thursday last in Scartaglin. On the night Currow proved to have the upper edge on their neighbours and went on to win on a scoreline of Currow 3-08 to Scartaglin's 3-05. On Monday 15th August Currow welcomed Lixtry, in a very close and even contest. Lixtry went on to win on a score line of Lixtry 5-12 to Currows 5-10. Their final game of the competition will be against Kilgarvan-Tousist – please check with Club officials regarding date and time.

SCARTAGLEN GAA LOTTO
The Jackpot for Scartaglin GAA Club's Lotto Draw on Sunday evening next is €6,000 and it's all up for grabs if you pick the four correct numbers drawn as the National Lottery advert says “It could be you”. So make sure your name is in the drum. The draw will be in O’Connor’s Bar and those asked to supervise same are: Denis O’Sullivan and Con Hewitt.

KERRY V DUBLIN
The big build up for the Kerry V Dublin All-Ireland semi-final on Sunday week is well under-way and the question on everyone’s lips is “Can we beat the Dubs”? The boys in blue have the Indian sign over Kerry in recent encounters so the upcoming clash is really going to be a case of now or never for Eamonn Fitzmaurice and his men. To beat Dublin will require a massive performance, it’s a huge task and a big ask but the hour has come for Kerry and to reach another All-Ireland final, they have got to deliver and surprise the Dubs, maybe they will! Let’s hope the remaining semi-finals will do something to restore the faith in football and that we will get some good games. What cracking games we got in the two hurling semi-finals, wonderful skill, passion, determination, excitement, tension, physicality. No quarter asked or given and both going right down to the wire with outcome unsure up to the very last second – brilliant performances, brilliant matches. Now, if football could only serve up something like those games, it would give a huge boost to the big ball game, so come on Kerry, Dublin, Mayo and Tipperary and give us something to shout about.

GREYHOUND RACING
Brendan Mahoney from Knockeenahone sent out “Scart King” to win in 29.41 at The Kingdom Greyhound Stadium Tralee on Friday evening last at odds of 3/1. Local trainer Mossie O’ Connor had a good double on the same card with “Killasah Lucky” who won in 29.10 for John O’Donoghue of Glenflesk and “Maglass Dazzle” who clocked 28.86 for Bill Carmody of Ballymac. On Saturday evening last, “Confident Puma” won over the 550yds trip in 30.05 for Jeremiah Kerins of Castleisland at odds of 3/1.

COUNTY LEAGUE
Scartaglin are at home to Valentia on this Saturday evening in Division 4 of the Credit Union County League. Throw in time at the Pat Casey Memorial Park is 7 p.m. On the following weekend, Scartaglin are scheduled to play Firies.

COISTE NA NOG
Scartaglin U6s had their first game of the season on home ground against Gneeveguilla on Friday evening last. There was great excitement amongst the strong 15 players that lined out in the home jersey. The rain didn’t dampen their spirits as both Scart and Gneeveguilla battled it out to be first to put a score on the board! There was fantastic team work seen from both teams and they really enjoyed every minute of their playing time. Scartaglin would like to thank the Gneeveguilla U6 team and management for coming over and we look forward to meeting them again soon.

Scart/ Cordal u16s had a very busy schedule recently as they challenged to secure their place in the semi finals of the division 1 county league. Their first game was away to Kilgarvin/ Tousist. This would prove to be a very tough test in difficult conditions, but they battled hard and came out on top. The final score was Kilgarvin/Tousist 1-10, Scart/Cordal 2-10. Next Scart/Cordal played Laune Rangers in Killorglin, this game would finalise the semi final places. A win was needed for a home semi final for Scart/ Cordal. The game was very evenly contested throughout, but Scart/Cordal looked to be on the straight and narrow in the penultimate minutes of the game as they lead by three points, but a soft penalty was given away in the last minute, which was converted. The game ended all square, the final score was Laune Rangers 2-13 Scart/Cordal 1-16. This result meant that four teams were level on points on the table but only three of the teams could make the semi finals. Scart/Co rdal went 1 on to play Legion to determine who would qualify. On Sunday last the 14th of August. We had a great day in Knocknagoshel with our u8 team. We had three competitive matches against Cordal, Knocknagoshel and Brosna. Well done to all players with great performances all round from, Conor Reidy, Ryan Walsh Murphy, Cormac Walsh, Adam Tagney, Shayne Fitzgerald, Ciaran McCarthy, Kyle Buckley, Edel O’Donoghue, Darragh Casey, Aodhán ‘O Connor, Kirsten O’ Connor, Jack O’Connor, Jessie O’ Keeffe, Owen O’ Keeffe, and Adam Caldwell. Thanks to the coaches and mentors a great day was had by all.

The Scartaglin under 10 team played in the Knocknagoshel Pattern Day Blitz last Sunday. In the 1st game they played Brosna and despite being a goal down at half time they put in a strong 2nd half performance and eventually win the game. In the 2nd game they played Knocknagoshel and again at the end of a tight match emerged victorious. Scartaglin played Cordal in the final game and as both Scartaglin and Cordal had won their first 2 games this match would decide who took home the shield. Cordal got off to a good start and scored an early goal but the Scartaglin team came back with a goal of their own and went in at half time leading by 2 points. Again the 2nd half was very close but at the final whistle Scartaglin were ahead. The team played very well over the course of the 3 games with each member of the team playing their part. The Knocknagoshel club presented each of the players with a medal and joint captains Cillian Reidy and Muireann Walsh received the shield on behalf of the players. The panel was; Charlie O’Keeffe, Sean McCarthy, Mikaela Buckley, Cillian Reidy, Tara Kerin, Shauna McCarthy, Jack O’Donoghue, Muireann Walsh, Michael Horan, Maggie Riordan, Gary Boyle, Dara Rahilly. A great week was had by all at the Cúl Camps that took place in Scart this week. It was thoroughly enjoyed by all.
CORDAL GAA
CORDAL SENIORS VS. SNEEM/DERRYNANE
Cordal faced a tantalising game against Sneem/Derrynane in Round 10 of the Credit Union Division 5 County League to try and maintain their place in the top three of the league so as to go up to Division 4 in the new season. Cordal needed to win after an unlucky defeat by only four points to Tousist on the 24th of July and the Cordal boys were determined. Spirits were high having travelled all the way to Sneem to try and clinch the win but Sneem/Derrynane were equally determined and the hunger to win by both sides added to an exciting match. The ref blew the whistle at seven o’clock commencing the game. Sneem/Derrynane were first to the post when Ian Galvin scoring a point in the first minute. Donal McCarthy was on the ball for Cordal moments later booting a point over the bar. Philip O’Connor would do the same for Cordal in the third minute scoring a point but Sneem/Derrynane kept the pace and Ian Galvin scored another point in the fifth minute. Ronan Hussey proved another valuable forward for Sneem/Derrynane and he began his list of scores in the seventh minute with a point. Philip O’Connor was busy again and got the ball quickly to the other side scoring a point moments later. Sneem/Derrynane scored three crucial points in the next few minutes. Ronan Hussey was first with a point in the eighth minute. Ian Galvin increased their score again with a point in the eleventh minute and Ronan Hussey scored again in the twelfth minute with a point from a free. Jason Cronin reduced Sneem/Derrynane’s three-point lead with a point scored in the thirteenth minute but Sneem/Derrynane were able to push on with another point scored by Ronan Hussey from a free in the fifteenth minute. They built up a four-point lead in the sixteenth minute when Ian Galvin scored another point from play. Cordal went on the offensive next to close the gap. Kieran O’Donoghue put the ball over the bar in the 19th minute and things were looking up when Niall O’Ciardubhain scored a point three minutes later for Cordal from a free. Ronan Hussey was on again in the 23rd minute scoring another point from play. Cordal missed a crucial free a minute later but Brian Reidy scored a point in the 25th minute closing the score divide once again. Sneem/Derrynane’s Brendan Teahan finished up their array of scores when he secured a free scoring a point. Cordal’s Brian Reidy scored the last point of the Half in the final minute just before the ref blew the whistle. Half Time left Cordal two points down with 0-08 to Sneem/Derrynane’s 0-10. Cordal had to face the music in the Second Half or take a loss and stay in Division 5. Philip O’Connor started the Half off well for Cordal scoring the first point in the Half from a free but Sneem/Derrynane would quickly take over. Ian Galvin steamrolled through the opposition scoring a point in the sixth minute and a goal a minute later. Cordal were now in trouble and a crucial missed opportunity to score a goal in the ninth minute would prove costly with Myrhan Cahill off, leaving Cordal one man down against their opponents. Brendan Teahan would widen the gap some more scoring a point from a free for Sneem/Derrynane giving them an eight-point lead. Ronan Hussey scored another point in the 21st minute and if not for some excellent defending by the backs and some important saves by Sean Óg O’Ciardubhain the opposition’s lead could have been larger. Brian Reidy scored the final point of the game but for Cordal their hopes had been dashed to move up a Division in the next season. The ref blew the whistle leaving scores Cordal 0-12, Sneem/Derrynane 1-16. Well done to Sneem/Derrynane on their valiant performance and hard luck to the Cordal boys who led a strong County League campaign this year. It is a tough loss for the Cordal team but it has to be said we have a really strong unified team and there are great hopes for the next season.

A FOND FAREWELL TO SONNY BOYLE
We say farewell to Sonny Boyle a long serving supporter of Cordal Football. Sonny was throughout his life an upstanding and devoted citizen in our parish and the village of Cordal. Sonny Boyle played a crucial role in the running of Cordal GAA Club for many years. He was always there to help out when needed be it fundraising or for anything that was going on in the Club.

At the time of his passing Sonny was one of the Club’s Vice-Presidents. Sonny had various other roles within the Club through the years and was Chairman of the Club in the early 70’s. Sonny was always a huge community man and helped out with whatever was going on in Cordal at the time.

Sonny served as Parish Clerk up until 2000, again playing a very important role in another large part of the community in Cordal, the parish Church.

We would like to offer our sympathies to his son Eddie Boyle and to all of Sonny’s extended family, relatives and friends. May he Rest in Peace and watch over the village of Cordal which he loved so dearly all his life.

AUGUST LOTTO
The August Lotto has a massive jackpot of €7,400. This is now the largest Lotto jackpot Cordal has had to date. This month’s Lotto will take place at the end of the month in Browne’s Bar. Cordal Coiste na nÓg are in charge of this month’s Lotto. Like always you can get Lotto tickets from our sellers or you can buy tickets at Kearney’s Post Office or at Jackie Reidy’s Menswear. If you want to buy online go to www.cordalgaa.com. Best of Luck from Cordal GAA.

Citizens Information

Know Your Rights:

THE NATIONAL FLAG

QUESTION
What are the rules around using the national flag? Is it true that you can’t write on it?

ANSWER
The National Flag of Ireland is often referred to as the tricolour and consists of three colours – green, white and orange. It was adopted as the flag of the Irish Free State in 1922. It was formally confirmed as the National Flag in the 1937 Constitution: “The national flag is the tricolour of green, white and orange.” Article 7: Bunreacht na hÉireann.

As part of the 1916 commemorations, the national flag was presented to every primary and post-primary school in the State. Along with the flag, schools received a copy of the 1916 Proclamation as Gaeilge and in English, and a booklet detailing the guidelines for respecting the flag.

These guidelines are issued by the Department of Taoiseach and give extensive information about when the flag can be flown and how it should be used. For example, no other flag or pennant should be flown above it when it is being flown in Ireland. Care must also be taken not to let the flag touch the ground or become entangled with trees.

The flag should never be defaced by placing slogans, logos, lettering or pictures of any kind on it, for example, at sporting events and it should not be draped on cars, trains, boats or other modes of transport. It should not be carried flat, except when used to drape a coffin. The rules also say the national flag should be replaced if it has become worn or frayed, as it is no longer fit for display in a respectful manner. The same principles apply if the flag is reproduced in printed or electronic format.

However, these guidelines are not statutory guidelines. In other words, there are no laws setting out the rules around use of the flag. This means that there are no penalties for anyone who does not follow the guidelines.

Further information is available from the Citizens Information Centre below.

These are the powerful words of love and tribute that have been lovingly crafted to commemorate the loved ones who have passed away. Each lettering artwork is a silent testament to the enduring bond between the living and the departed, a reminder that memory and love persist, even in the absence of the mortal form. The epitaphs, as they are called, are carefully crafted to express the depth of emotion and respect that the families wish to convey.

The 20th Anniversary of EUGIE MCCARTHY, who passed away on the 14th of July 1996, is marked with a prayerful message that celebrates her continuous presence in the hearts of her family and friends. The 30th Anniversary of CHRISTINE BRODERICK, who died on the 26th of August 1986, is a celebration of her life and an affirmation of the love that endures.

The Acknowledgement & 1st Anniversary of EILY O’ SULLIVAN, who passed away on the 24th of August 2015, offers a heartfelt tribute to her memory, a reminder of her presence and contribution to the lives of those around her. The 15th August 1996 marks the passing of CHRISTINE BRODERICK, a day that is forever etched in the memories of her loved ones.

In Loving Memory of JOAN MURPHY (nee Healy) who died on the 22nd August, 2015, we are reminded of her kind heart and her ability to light up the world around her. The 1st Anniversary of T.J O’HERLIHY, who passed away on the 29th August 2015, is a celebration of his life and a reminder of the love that remains.

The Acknowledgement & 1st Anniversary of JOAN MURPHY (nee Healy) also marks the passing of her mother, Joan, on the 22nd August, 2015, with a touching tribute that underscores the importance of family and the lasting impact of their love.
